

CES 2026 VIP INVITATION

Dear Sir / Madam,

An Exclusive Preview of Tomorrow's Gaming Intelligence

You are cordially invited to a private showcase at CES 2026, where we will unveil our most advanced innovations in professional gaming hardware, immersive AR experiences, and next-generation wireless performance.

- Flagship AR Virtue Monitor Glasses engineered for both esports and mobile gaming immersion
- REAL 8K Analog & 8K Hz Wireless Input Architecture—our fastest, most precise control technology ever
- Elite Gaming Keyboard & Mice Portfolio featuring TMR / Inductive / Capacitive analog solutions
- High-fidelity Wireless Audio & PSAC Hearing Enhancement Systems designed for performance and comfort

We look forward to hosting you for a private technology experience reserved for our most valued partners.

Booth: 15358

Date: January 6-9, 2026

Venue: Central Hall, Las Vegas Convention Center, Tech East
